EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Catherine Maresh on 10 June 2005.

The application has been amended as follows:

Claim 16, line 12; delete "within the sheath"

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or render obvious the overall claimed method of manufacturing a system for treating a vascular condition, comprising: dispersing an adhesive material throughout a fluid prior to application of the adhesive material; wherein approximately three gram of adhesive material is dispersed throughout approximately twenty cubic centimeters of fluid; heating the adhesive material and fluid to dissolve the adhesive material in the fluid; introducing the adhesive material between an inner surface of a stent and an outer surface of a balloon wherein introducing the adhesive material within the sheath comprises: loading the adhesive material into a syringe having a fine needle; inserting the needle within the sheath; and injecting the adhesive material through the needle within the sheath such that the adhesive material coats at least a portion of the outer surface of the balloon.
